A new adventure, a new destination, a gay-friendly beach resort. Imagine sailing on a tropical sea. There are black sand beaches, turquoise waters, emerald rain forests and white face monkeys.

And above all, there is the magical, dream-like quality of the tall ship Legacy...a sense of joy and freedom and endless possibility.

Source Events and Windjammer are planning a seven-day cruise to this dramatic and off-the-beaten-path destination. This cruise is sponsored by Gay Naturists International (GNI) for men who enjoy sailing nude.

Explore the unspoiled Pacific coastline of Costa Rica with its virgin rainforests, whales, wildlife and deserted islands. Walk through waterfalls. Sleep on deck under the stars. Take pleasure in food and music and friendship. Follow your heart, and soar before the wind.
