ABOUT YOUR TOURS

APRIL 27, 2016 - King's Day in Amsterdam

Our post-cruise stretcher is perfectly timed to experience the joyful open-air celebration of King's Day. This National Holiday has been celebrated in one form or another (formerly as Queen's Day) since 1885 and provides a unique and electric atmosphere that is not to be missed. King's Day festivities invite locals and visitors alike to soak up Amsterdam's open-air fun. In the streets, canals, parks and everywhere in between, the city is bursting with orange as Amsterdammers enjoy the biggest street party of the year! From city-wide street markets to canal boat parades to carnival rides, DJs and live music, the city streets and squares are transformed for this once-a-year event.

Since hotel rooms are traditionally difficult to secure during this very popular event, we couldn't resist the opportunity to offer you hotel nights at special Olivia rates. Our ship will be docked within walking distance of the hotel, with check-in starting at 3 pm. We will take care of transporting your luggage directly from the ship to the hotel, leaving you unencumbered and free to enjoy the day as you please.

We will not offer an organized tour as part of this package, but you can either take advantage of an optional tour offered by the ship, explore a local museum or simply walk off the ship and into the charming canals and streets of Amsterdam.
