Greenwich Village

NYC ORIENTATION TOUR (SUNDAY, MAY 5, 2019 | One- and Three-Night Packages)

“New York, New York, it’s a wonderful town. The Bronx is up, but the Battery is”... always running! Hop on board your deluxe motor coach and see all the sights that make the “Big Apple” so special—**Rockefeller Center, Times Square, Chinatown, SoHo, Greenwich Village, Little Italy**—and much, much more. Your knowledgeable and entertaining tour guide will give you a taste of the city while you learn about the history, the sights, the cultural attractions and the ethnic diversity and contributions of the many people who call New York their home. Mid-way through your tour, you’ll enjoy an original **Magnolia Bakery Cupcake** (made famous by the hit HBO show *Sex and the City*).

Note: Upon disembarking your ship, we expect your tour to commence at approximately 9:30 am with drop off at our hotel by 1 pm. Times are subject to change. Your luggage will be safely stored in the hotel and you’ll have time to grab a quick bite at a nearby restaurant before meeting back at the hotel and walking to the theater for our highlight of the night - Kinky Boots!

KINKY BOOTS ON BROADWAY (SUNDAY, MAY 5, 2019 AT 3 PM | One- and Three-Night Packages)

Have you always dreamed of watching a show on Broadway? We’re taking the Women of Olivia to **Kinky Boots** - the winner of every major BEST MUSICAL award, including the Tony, the Grammy and London’s Olivier Award. Featuring 16 original songs by pop icon, Cyndi Lauper, a book by Tony-winning theater legend Harvey Feirstein, and direction and choreography by Tony winner Jerry Mitchell, this joyous sensation “struts its stuff with sparkles, stilettos and heart!” Based on true events, this huge-hearted hit tells the story of two people with nothing in common—or so they think! Immediately following the show, we’ll have an exclusive meet & greet (“talk back”) with the cast of the show.

Note: Showtime is at 3 pm. The Al Hirschfeld Theater is just a short 5-minute walk from our hotel.

One World Observatory

The New York Stock Exchange

The National September 11 Memorial

HISTORIC DOWNTOWN + SEPTEMBER 11 MEMORIAL + ONE WORLD OBSERVATORY (MONDAY, MAY 6, 2019 | Three-Night Package)

Discover how New York became what it is today! Visit Battery Park where the Dutch first settled in a town they called Nieuw Amsterdam. Drive through the financial center that sprung up during the British Occupation and established a commercial center, now the site of the New York Stock Exchange. Across the street, visit the exact spot where George Washington was sworn in as the president of the newly-founded United States.

Following, you'll visit the World Trade Center site and the National September 11 Memorial - where the Twin Towers once stood. The Memorial Park surrounds two square waterfalls—the largest constructed waterfalls in North America - which cascade into reflecting pools finally disappearing into the footprints of the former Twin Towers. The names of victims who were lost in the 1993 bombing and 2001 attacks are etched in bronze around the edges of the pools.

Your tour culminates at the spectacular One World Observatory - described as much more than views from the top! With a million things to experience in New York City, there's only one way to truly see them all. Start your tour by ascending to the top of the tallest building in the Western Hemisphere in less than sixty seconds, then look toward the horizon and feel the city's invincible spirit.

Note: Approximate tour time is 8:30 am - 12:30 pm. You'll have the opportunity to grab lunch on your own before boarding your coach back to the hotel. Upon arriving at the hotel, you'll have the full afternoon and evening to explore the city on your own.

Ellis Island

Ellis Island Museum

The Statue of Liberty

ELLIS ISLAND + STATUE OF LIBERTY VIEWING (TUESDAY, MAY 7, 2019) | Three-Night Package)

"Give me your tired, your poor, your huddled masses, yearning to breathe free...." That's just what the world did, sending 17 million immigrants through the gates of New York to the United States of America - the land of freedom. The boat ride across New York

Harbor to Ellis Island offers splendid panoramas of the lower Manhattan skyline and brushes past the “Lady in the Harbor” who stands 151 feet tall on an 80-foot pedestal. The Statue of Liberty has welcomed visitors to our shores for more than 125 years and is known around the world as a symbol of freedom and liberty. Most people don’t realize, however, that the best photos of the statue are from the boat and not the island.

You will disembark at the Ellis Island Immigration Museum, which pays tribute to the millions of brave individuals who fled oppression to start over in the New World. Visit the Baggage and Registration Hall where 40 percent of Americans can trace an ancestor who arrived here. Fascinating exhibits explain the history of the people who came to begin new lives in a city of “streets paved with gold.”

Note: Approximate tour time is 8 am - 1 pm and does not include Liberty Island. A boxed lunch will be provided on Ellis Island. Upon arriving back at the hotel, you’ll have the full afternoon and evening to explore the city on your own.
